SAINT ALPHONSUS UNIQUE FAMILIES PROGRAM™

Thank you for choosing Saint Alphonsus Health System. We look forward to caring for you and your family! **Our Unique Families Program**™ mission is to provide exceptional care for patients and families that may need extra support and care during their stay here.

We have assembled this packet to provide an opportunity for much of the paperwork to be prepared and submitted in advance.

Attached you will find:

PHI RELEASE

- This form allows the hospital to release health information to listed parties.

CARE PLAN

- This form helps our team know your wishes. This plan is flexible and can be adjusted at any time during your stay.

FINANCIAL FORM

- This form allows us to bill the correct entity for the infant care.

In the event you have a gestational agreement that has been validated by an Idaho court under the Idaho Gestational Agreements Act (Title 7, Chapter 16 of the Idaho Code), you will need to provide Saint Alphonsus a copy of the gestational agreement and the Idaho court's Order of Validation of the Gestational Agreement. If you would like Saint Alphonsus to share your baby's PHI with anyone (e.g., Birth Patient or attorney), please also complete the PHI Release. After the baby's birth, please also provide Saint Alphonsus a copy of the Idaho court's Order of Parentage within 14 days of the birth. The court's Order of Parentage can be emailed to Saint Alphonsus at bohshimdocuments@saintalphonsus.org.

Please print and scan in this packet, and then email to the following:
