

# Our Chaplains are Here

*To Listen, To Care, To Support*

## A CHAPLAIN IS AVAILABLE WHEN YOU...

- Want emotional or spiritual support
- Would like a visit before surgery
- Are feeling lonely or discouraged
- Want help with Advanced Directive paperwork
- Want a sacrament, blessing, or ritual
- Are experiencing setbacks
- Have received bad news
- Are anxiously awaiting test results
- Are in the hospital for a long time
- Are experiencing loss or grief
- Have an ethical dilemma
- Are unsettled about religious, spiritual, or personal issues

**Ask a nurse to call for a chaplain, or call the operator.** We respect all faith traditions and seek to meet your spiritual needs.

## *A Blessing for Our Patients*

May you feel welcome in this place of healing.

May you be granted peace, rest, and renewal while we care for your needs.

May the medical condition that brought you our way be attended with compassion and competence.

May your stay with us be healing for you, and comforting for those who know and love you.

Amen.
